SPONSORSHIP PACKAGE

THE TEAM

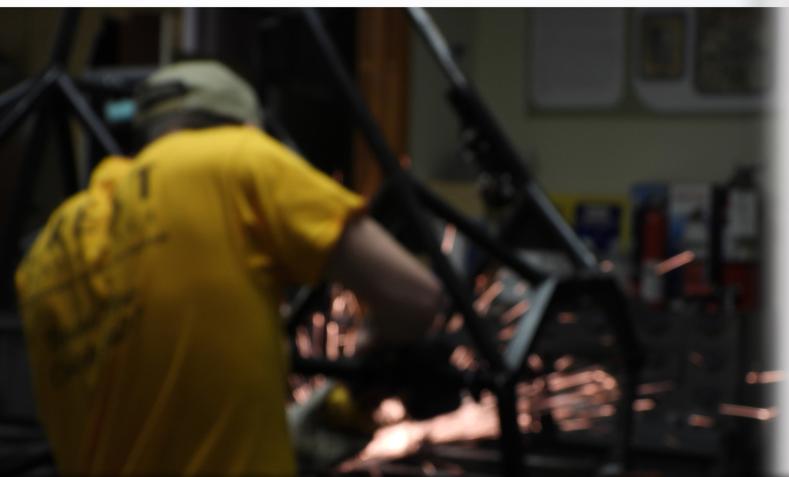

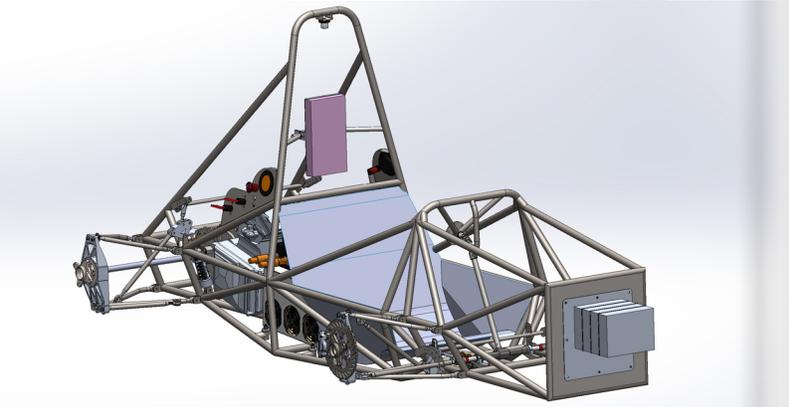

Wyoming Motorsports provides students from all majors at the University of Wyoming with opportunities to expand their knowledge and develop new skills through hands-on experience in a competitive environment. While engineering is our primary focus, our team also manages leadership, outreach, marketing, finances, and organizational growth. Though our backgrounds differ, every WyoMoto member shares a passion for motorsport and a drive to learn.

THE MISSION

PURSUING EXCELLENCE

Wyoming Motorsports equips its members with practical skills that bridge the gap between academics and industry. With a focus on innovation and a commitment to excellence, we create an environment that promotes creative problem solving. By combining innovation, hands-on experience, and mentorship between upper and underclassmen, we foster growth at every level, ensuring that Wyoming Motorsports will continue to Build, Race, and Win for years to come.

WYOMINGMOTORSPORTS

FORMULA HYBRID

Since its inception, Wyoming Motorsports has been dedicated to the Formula Hybrid+Electric competition, held each spring against top-tier universities. This rigorous event challenges teams to design and build single-seat hybrid and electric race cars balancing innovation, efficiency, and performance.

WyoMoto equips engineers with the skills to tackle real-world industry challenges by engaging with cutting-edge automotive technology.

BAJA SAE

Wyoming Motorsports' roots trace back to Baja SAE, an off-road racing competition that began as a senior capstone project. Today, the team is reviving the program, creating a durable and high-performance off-road vehicle that evolves with every new competition cycle. Unlike Formula Hybrid, Baja SAE focuses on drivetrain reliability, ergonomics, & consumer-oriented design, challenging students to deliver new, innovative solutions to many real-world engineering challenges.

EXPOSURE

A sponsor's logo on our vehicles isn't just a sticker - it's a statement. It signifies a commitment to advancing education, supporting innovation, and investing in the next generation of engineers. Sponsoring Wyoming Motorsports aligns your organization with a top-tier racing team competing at the highest national level.

BUILD 🤠 **RACE** 🤠 **WIN**

We provide recognition for your organization both nationally, through our collegiate competitions, and locally, through community engagement.

Wyoming Motorsports ensures its sponsors receive high-visibility recognition in front of students, faculty, industry leaders, and members of the community.
